

XIX

INTERNATIONAL BURDENKO SCIENTIFIC CONFERENCE

DEDICATED TO THE DECADE OF SCIENCE
AND TECHNOLOGY

Dear colleagues, Student Scientific Association is pleased to invite you to participate in the **XIX INTERNATIONAL BURDENKO SCIENTIFIC CONFERENCE**, which is dedicated to the decade of science and technology, to be held on **April 20-22, 2023** in Voronezh N.N. Burdenko State Medical University.

Burdenko Conference offers a unique platform for exchange of ideas among medical students and young researchers in medical and biomedical areas of science.

You are welcome to present results of basic and clinical research in different medicine disciplines.

They include but are not limited to:

- Fundamental medicine
- Dentistry
- Pharmacology
- Surgery
- Therapy

The forum's working language is **English**.

The formats of participation are as follows:

- oral presentation
- oral presentation and publication
- Publication

The best presentations will be awarded with Diplomas of I, II and III degree.

The participants' papers will be published in the Conference Proceedings and in the Russian Science Citation Index system.

Further information including the conference program and time will be available at the official websites

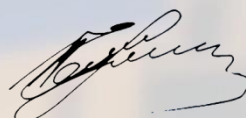

<http://vrngmu.ru/>
